*The Vision at Cape Royal Golf Club is to be the best public facility in Lee County by striving to continuously enhance all 27 holes, our clubhouse, and our dining facility to obtain the ultimate guest satisfaction. We will provide a variety of fun activities for all ages while making each customer feel at home. Our commitment to fiscal responsibility and employee satisfaction will ensure our long-term success and well-being.*

A creative 27-hole golf course designed by Gordon Lewis. While the Cape Royal Golf Club has been an American favorite for many years, our passholder programming is more than just golf. There is wonderful camaraderie amongst the passholders that only serves to enhance the diverse social and golf programming.

We are proud to say that CRGC has a winning combination which harmonizes the entire experience:

- ☆ A course that has a reputation for its challenging design and diversity
- ☆ A dedicated team who provide year-round care and maintenance to the golf course
- ☆ A clubhouse that is inviting and a social destination

Cape Royal Golf Club's clubhouse reflects the fun and brightness of times past yet features all the amenities a golfer would come to expect. Come inside and enjoy The Caloosa Club restaurant serving breakfast, lunch and dinner. If you are planning a special event or gathering, our talented and attentive staff will be right there to meet your every need. A genuine piece of Southwest Florida to enjoy before or after your round of golf!

The key ingredient that ties it all together and elevates our Club to the next level is our commitment to delivering Championship Service. This is reflected on a day-to-day basis in every element of our Club - from the moment you arrive to a fond farewell. Our highly-trained staff looks forward to ensuring that your experience at our Club is both fun and memorable.

Thank you for your interest in joining Cape Royal Golf Club. We hope that you will find the right program that works best for you. Please call our general manager, Sean Biggs at 239-283-5522, or email him at [sbiggs@caperoyalgolfclub.com](mailto:sbiggs@caperoyalgolfclub.com) to discuss the program in further detail.
