

Welcome To The Club

Golf Passholder & Membership Program
2020 - 2021

11460 Royal Tee Circle | Cape Coral, FL. 33991 | 239-283-5522

The Vision at Cape Royal Golf Club is to be the best public facility in Lee County by striving to continuously enhance all 27 holes, our clubhouse, and our dining facility to obtain the ultimate guest satisfaction. We will provide a variety of fun activities for all ages while making each customer feel at home. Our commitment to fiscal responsibility and employee satisfaction will ensure our long-term success and well-being.

A creative 27-hole golf course designed by Gordon Lewis. While the Cape Royal Golf Club has been an American favorite for many years, our passholder programming is more than just golf. There is wonderful camaraderie amongst the passholders that only serves to enhance the diverse social and golf programming.

We are proud to say that CRGC has a winning combination which harmonizes the entire experience:

- ☆ A course that has a reputation for its challenging design and diversity
- ☆ A dedicated team who provide year-round care and maintenance to the golf course
- ☆ A clubhouse that is inviting and a social destination

Cape Royal Golf Club's clubhouse reflects the fun and brightness of times past yet features all the amenities a golfer would come to expect. Come inside and enjoy The Caloosa Club restaurant serving breakfast, lunch and dinner. If you are planning a special event or gathering, our talented and attentive staff will be right there to meet your every need. A genuine piece of Southwest Florida to enjoy before, or after your round of golf!

The key ingredient that ties it all together and elevates our Club to the next level is our commitment to delivering Championship Service. This is reflected on a day-to-day basis in every element of our Club - from the moment you arrive to a fond farewell. Our highly-trained staff looks forward to ensuring that your experience at our Club is both fun and memorable.

This past year we have seen changes to our way of life that are unprecedented. The Coronavirus and the Social Distancing guidelines to follow changed the way we think, the way we play golf, where and how we eat, and the way we live. At Cape Royal Golf Club we worked diligently to provide a place of safety through responsibility and thoughtfulness. Our efforts put into practice, and maintained all the requirements by our county, city, state and federal government. For our Club this was ever-changing, and unfamiliar. It was a tireless and daily task. And, we would do it all over again to ensure that our guests, members, friends and families will continue to enjoy Cape Royal Golf Club, and the services and recreations we offer.

Thank you for your interest in joining Cape Royal Golf Club. We hope that you will find the right program that works best for you. Please call general manager, Sean Biggs at 239-283-5522, or email him at sbiggs@caperoyalgolfclub.com to discuss the program in further detail.

The Golf Passholders, Members, and the staff of Cape Royal Golf Club look forward to welcoming you to our family!
